

What is ZeeMee?

ZeeMee is **THE** app for discovering your best fit college, connecting with other prospective students and bringing your application to life with videos and photos. Hundreds of thousands of students in over 150 countries use ZeeMee today as the most important app in their college journey.

“Like Instagram and Snapchat, ZeeMee is fun and familiar to students, but serves a more professional purpose.”

Chris White, Director of College Advising
High Tech High, San Diego, CA

Features

College Search

Discover the real culture of a college in chat communities with other prospective students as well as current students on campus.

Fresh Campus Video

Watch fresh, authentic video from current students on the campuses of our partner colleges.

Your Story Matters

Share your Story with over 200 colleges via video and photos to make your application stand out.

Beyond High School

Roommate match, connect with other students who share similar interests, join dorm chats and much more.
